TRANSMITTAL LETTER

Dear Sir:

Prior to receiving a first office action in the above US national phase filing, submitted herewith is an Information Disclosure Statement (Form PTO-1449) together with complete copies of all non-US references cited.

The attached publications are provided to complete the records of the prior art known to the Applicant which might be relevant to the present invention.

The enclosed documents were recently received in the above matter and were unavailable at the time of filing the US national phase.

The enclosed Information Disclosure Statement and its references are being submitted prior to a first office action and, therefore, no fee is required. All filing fees have previously been paid but, if any additional filing fees are deemed to be appropriate, please charge our Deposit Account No. 19-5425.

Also enclosed are copies of Search and Examination Reports issued by the UK Patent Office for corresponding UK patent application nos. GB0406121.4 and GB0505623.9.

Kindly have the enclosed documents made a part of Applicant's file.

Respectfully submitted,

Nicholas Simon Myers
